

Newark, DE ▶ Project Summary

Before Photos; Newark, DE

exterior face-lift

Trifecta's team assessed the entire exterior of the Hidden Creek apartment complex and successfully executed a comprehensive transformation of the outdoor common area. The enhancements encompassed a full-scale painting project, installation of new lighting, and planning with light surveys to determine the optimal number of lights required for effective nighttime illumination. In addition, new decks were constructed on the top floor, while new fencing adorned the lower floor, adding a touch of elegance. Trifecta also replaced doors and addressed any damage to the parking lot, including crack filling, striping, and walkway repairs.
